Terms

Terms and Conditions

It is the customer’s responsibility to ensure ground conditions are suitable for delivery. Golden Rule Sheds and its associates are not responsible for permits, covenant searches, restrictions, setbacks, yard or underground damage. Contact your local Building Inspector and HOA for details. By placing an order, the customer authorizes installation of the building. Golden Rule Sheds is not responsible for contents inside buildings.

“Free Delivery” includes one trip: up to 100 miles from the shop for custom orders, or 50 miles from the sales lot for inventory. Additional miles are $5 per mile one way. “Free Setup” includes leveling from the lowest corner, up to 2 feet, using customersupplied blocks.

Non-refundable cancellation fees apply to all orders. For cash sales, 50% of the Total (as shown above, including all options and delivery charges) will be held until the shed is resold. Once the building is sold to another customer, Golden Rule Sheds will retain 15% of the total cost of the order as a permanent cancellation fee and refund the remainder. For RTO sales, the first month’s rent plus deposit are non-refundable.

Roof color changes must be made within 24 hours of placing the order; later changes incur a charge of $2.50 per square foot of the building. All other changes must be made within 48 hours. After this period, changes are subject to cancellation fees.

Providing a credit card authorizes Golden Rule Sheds to charge the balance upon delivery for non-RTO purchases. All balances must be paid in full at delivery. NewFound Rentals LLC assumes risk of loss except for moisture, scratches, mysterious disappearance, vandalism, abandonment, or damage caused by the customer or willful misconduct. Fire damage requires an official report. Coverage does not extend to contents.

On-lot used buildings are sold “as-is” with no warranties or guarantees.

This agreement provides no coverage for damage to the building or for customer responsibility for damage.
